

Join your design world colleagues and the Women's Institute for Housing and Economic Development for a

PAINT-A-THON

We're giving a fresh coat of paint to three interior foyers of this beautifully restored 19th century school, now home to low income families and North Star Learning Center.

INTERNATIONAL FURNISHINGS
AND DESIGN ASSOCIATION
NEW ENGLAND CHAPTER

SATURDAY, JANUARY 21ST 2017

Start Time: 9:00 am (afternoon volunteers also welcome)

Acushnet Commons

59 Linden Street | New Bedford, MA

"Sometimes circumstances happen that are out of our control. We were financially devastated by a serious illness. It was not a result of bad choices or bad planning. It could happen to anyone. It's important to dispel myths, stereotypes and pre-conceptions about people in need. I was grateful to have [a place] to help me get back on my feet."

- Santina, WIHED affordable housing resident

To volunteer, contact Jacqui Becker, IFDA NE VP of Community Service:
