

Designers, Architects, Builders & Suppliers:

The International Furnishings & Design Association - New England magazine is a quarterly publication for design professionals who love to stay up to date and inspired. In each issue, we present beautifully finished projects, accompanied by a calendar of events and links to pertinent industry information. The projects range from custom designs of unique residential accents, furniture pieces or accessories to full home features. Design sensibility and striking examples that inspire are important to us as well as industry news. New products, new companies, new roles, and industry events share the pages of our publication.

We look forward to receiving your submissions. Simply reply to this email with your name and contact number. Attach your content (750 words or less in a word document) and 2-3 high resolution photos for editorial review.

If you would like to submit an ad or calendar event, submission fees apply. Please reference our [media kit](#).

All submissions are due by 5 pm on March 1, 2017.

Important to Note: While preference is given to IFDA-NE member submissions, the Call For Content is open to members and non members. IFDA-NE reserves the right to print content which only they deem fit for editorial inclusion.

THANK YOU TO OUR ANNUAL SPONSORS:

Mitchell Gold
